LIMITATIONS OF WARRANTY AND LIABILITY

BATTERIES INCLUDED INC. or any dealer or distributor distributing this product, makes NO WARRANTY, EXPRESSED OR IMPLIED, with respect to this manual, the related floppy disk(s), and any other related items, their quality, performance, merchantability, or fitness for any particular use. It is solely the purchaser's responsibility to determine their suitability for any particular purpose.

BATTERIES INCLUDED INC. will in no way be held liable for direct, indirect or incidental damages resulting from any defect or omission in this manual, the floppy disk(s), or other related items or processes, including but not limited to any interruption of services, loss of business or anticipatory profit, or other consequential damages.

THIS STATEMENT OF LIMITED LIABILITY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. BATTERIES INCLUDED INC. neither assumes nor authorizes any other person to assume for it any other warranty of liability in connection with the sale of its products.

This manual and the computer programs on the accompanying floppy disk(s) which are described in this manual are copyrighted and contain proprietary information belonging to BATTERIES INCLUDED INC.

This manual may not be copied, photocopied, reproduced, translated or reduced to machine readable form, in whole or in part, without the prior written consent of BATTERIES INCLUDED INC.

The accompanying floppy disk(s) may not be duplicated, in whole or in part, for any purpose. No copies of the floppy disk(s) or this manual or the listings of the programs on the floppy disk(s) may be sold or given to any person or other entity. Notwithstanding the above, the accompanying disk(s) may be duplicated for the sole use of the original purchaser.

PRODUCT IMPROVEMENTS

BATTERIES INCLUDED INC. reserves the right to make corrections or improvements to this manual and to the related floppy disk(s) at any time without notice and with no responsibility to provide these changes to purchasers of earlier versions of its products.

WARNING!

This manual and the programs contained on this disk(s) are protected by International Copyright laws. Duplication by any means, for other than personal use, is strictly forbidden and a violation of copyright laws.
VIOLATORS WILL BE PROSECUTED!

UPDATES AND SUPPORT

An old adage in the computer industry is that no piece of software is ever really finished. This package is no exception. We are committed to an on-going process of continually improving our software.

You may find enclosed one or more loose sheets or a Read.Me file on the disk containing updates completed after this manual went to press. Please be sure that you note any comments or corrections they may contain.

It is very important that you send in your warranty card so that we are able to advise you of any future updates and revisions to these programs.

We believe this manual should provide answers to most any question you may have regarding these programs. If your question needs an immediate answer please phone our customer support number during business hours (EST) at (416) 881-9816. If an urgent response is not required, please feel free to write to us. A personal reply will be issued immediately.

OUR COMMITMENT

Batteries Included is one of the oldest and largest software publishers in North America. Our experience and knowledge, gained through creating and publishing award-winning software, is available to you through this product.

We know what you want – ease of use, value for money, quality documentation, available and responsive customer support and, above all, 'power' features and flexibility. Our products excel in all these areas.

It's an old adage in the computer industry that no piece of software is ever really finished. PaperClip II is no exception – we are continually improving and updating it. Thus you may find loose sheets inserted into the manual, or a 'read.me' file on your program disk. These contain information on improvements made since this manual went to press.

In order to take advantage of future program improvements, it's important that you send in your warranty card so that we can contact you. These revisions are available to you, as a customer, for a small service charge.

We don't want to be a 'faceless' corporation. Our programmers, marketing, and support people are all committed to one goal: your satisfaction. If there is any way in which this product does not accomplish this, please let us know.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
