v.

POLARIS INNOVATIONS LTD.,
Patent Owner

Case IPR2016-01622
Patent 6,850,414 B2

**PATENT OWNER'S
CONTINGENT REQUEST
FOR ORAL ARGUMENT**

Pursuant to 37 C.F.R. § 42.70 and the Board's Feb. 15, 2017 Scheduling Order (Paper 8) and March 20, 2017 Order (Paper 14), Polaris Innovations Ltd. ("Patent Owner") respectfully submits this contingent request for oral argument.

The following requests are contingent upon Petitioner requesting, and being granted, oral argument on issues on which Petitioner bears the burden of proof.

On that contingent basis only, Patent Owner would request at least 60 minutes to address issues on which Patent Owner bears the burden, or that are raised at oral argument, which may include the following:

- Whether Patent Owner has satisfied its burdens such that its Motion to Amend (Paper 18) should be granted; and
- Any other issues on which Patent Owner bears the burden.

Guidance is respectfully solicited as to which questions, if any, the Board specifically wishes to be addressed.

On those issues for which Petitioner is granted oral argument and bears the burden of proof, Patent Owner requests an opportunity to reserve sur-rebuttal time to respond to rebuttal arguments by Petitioner at oral argument.

Patent Owner requests the right to use audio visual equipment to display demonstrative exhibits, including the use of a computer, projector, and screen.

Respectfully submitted,
