I, Payson LeMeilleur, do hereby declare:

1. I am a partner in the law firm of Knobbe Martens Olson & Bear, LLP. Lead Counsel for One-E-Way in this proceeding is Daphne Burton, who is registered to practice before the United States Patent and Trademark Office and holds Registration No. 45,323. On May 15, 2017, One-E-Way filed a Supplemental Power of Attorney appointing Douglas G. Muehlhauser of Knobbe Martens, and those attorneys associated with Customer Number 20,995, as additional attorneys designated to transact all business before the Patent Trial and Appeal Board in connection with IPR2016-01639 regarding the *inter partes* review of U.S. Patent No. 9,282,396 (“the ’396 patent”). Mr. Muehlhauser is registered to practice before the United States Patent and Trademark Office and holds Registration No. 42,018. I have worked closely with Mr. Muehlhauser in representing One-E-Way in this matter, including in preparing One-E-Way’s briefings, and in assisting in taking the only deposition held in this matter.

2. I have 18 years of experience as a patent litigator and have represented clients in numerous patent litigation cases in various United States District Courts and before the Court of Appeals for the Federal Circuit. Additionally, I hold a Bachelor of Science degree in Physics from the University of Southern California. I am comfortable and experienced with technically complex matters, such as will be present in this proceeding.

3. I am experienced with technical matters in the field of wireless communications and have represented One-E-Way in patent infringement actions involving subject matter related to the '396 patent, which is the subject of this proceeding. I am therefore familiar with the '396 patent, and with the technical and legal subject matter at issue in this proceeding. One-E-Way, Inc. has requested my services in the present matter.

4. I have not previously appeared *pro hac vice* in any matter before the United States Patent and Trademark Office.

5. I am a member in good standing of the Bar of the State of California. I am admitted to practice before the Supreme Court of the United States, and the United States Court of Appeals for the Federal Circuit.

6. I have never been suspended or disbarred from practice before any court or administrative body.

7. I have never had a court or administrative body deny my application for admission to practice. I have never been sanctioned or cited for contempt by any court or administrative body.

8. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in Part 42 of Title 37 of the C.F.R.

9. I also agree to be subject to the United States Patent and Trademark Office Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 et seq., and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

10. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
