Northern and Central Districts of
California

J.B. Schiller is an associate in the firm's Intellectual Property group with three years of experience litigating software and electronic patent litigation cases. Mr. Schiller works on a range of intellectual property matters, primarily focused on patent litigation and patent prosecution. Mr. Schiller has litigation experience in motion practice, claim construction and invalidity analysis. He also has experience in preparing and prosecuting patent applications relating to a wide range of technologies, including computer hardware, software and telecommunications.

REPRESENTATIVE LITIGATION CASES

- IDT v. AT&T Inc. (District of Delaware) – litigation counsel to AT&T in patent litigation related to screen plate hardware technology.
 - Ultratec Inc. et al. v. Sorenson Communications Inc. – litigation counsel to Sorenson Communications in patent litigation related to telecommunications and echo cancellation technologies.
 - United Access Technologies, LLC v. AT&T Services Inc. (District of Delaware) – litigation counsel to AT&T in patent litigation related to ADSL technology.
 - TeleSign Corporation v. Twilio Inc. (Central District of California) – litigation counsel to Twilio in patent litigation related to two-factor authentication software technology.
 - Micoba LLC v. Dropbox, Inc. (Eastern District of Texas) – litigation counsel to Dropbox in patent litigation related to file and database technologies.
 - Straight Path IP Group v. Cisco Systems, Inc. (Northern District of California) – litigation counsel to Cisco in patent litigation related to session initiation protocol communications.
- Twilio Inc. v. TeleSign Corporation (Northern District of California) – litigation counsel to Twilio in patent litigation related to software as a service, telecommunication, and API technology.
