Subject: IPR2016-01839

Dear Board:

Patent Owner believes new matter that was not in the original petition has been improperly added to the reply brief related to IPR2016-01839. My understanding is that Petitioner disagrees with this assertion. Patent Owner requests guidance on how the Board would like this issue raised in this proceeding (e.g., via a separate filing, motion for observation, motion to exclude, etc.).

Sincerely,
Gregory S. Donahue
Counsel for Patent Owner Papst
