Reactive Surfaces Ltd LLP  
Ex 1052

I, Rico Reyes, declare as follows:

1. In May of 2001, I graduated with a Juris Doctorate from The University of Texas School of Law.
2. On November 2, 2001, I was admitted and licensed as an attorney and counselor at law to practice in all Courts of the State of Texas
3. Between 2002 and 2005, I served on active duty as a Judge Advocate in the United States Marine Corps. My practice included hundreds of criminal cases, multiple death investigations, law suits against the government and complex tort claims.
4. Between 2006 and 2010 I served as an Assistant District Attorney in Travis County, where I prosecuted hundreds of felony offenses.
5. Since 2010, my practice has focused on general, business and commercial litigation and has included intellectual property matters.
6. I have been a practicing attorney for over 16 years, I am an experienced litigator, and a member in good standing of the State Bar of Texas.
7. I have never been admonished, sanctioned, suspended or disbarred by any court or administrative body.
8. I have never had an application for admission to practice before any court or administrative body denied.

9. I have never had any sanctions or contempt citations imposed against me by any court or administrative body.

10. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of title 37 of the C.F.R.

11. I agree to be subject to the USPTO Code of Professional Responsibility as set forth in 37 C.F.R. §§ 11.101 et seq. and disciplinary jurisdiction under 37 C.F.R § 11.19(a).

12. I have represented the petitioner in this and various related matters since 2014. I am familiar with the subject matter in this proceeding, the petitioner's intellectual property, the patent in dispute as well as the reasons for its invalidity.

13. I am a member of the team that is preparing not only the petitioners' IPR petition in this case, I am also actively assisting in the preparation of several other IPR petitions which are challenging patents owned by the same patent owner that covers the same or similar technology and same or similar claims as Patent No. 8,394,618 B2.

I declare under penalty of perjury that the foregoing is true and correct.

Respectfully submitted,

---
