1037	Chapter from Advances in Fingerprint Technology	16
2013	Advanced Fingerprint Analysis Project Fingerprint Constituents	21

1 ERIC RAY,
2 having been first duly sworn to testify the truth, the
3 whole truth, and nothing but the truth, testified as
4 follows:

5 EXAMINATION

6 BY MR. KHARITON:

7 Q. Mr. Ray, good afternoon.

8 A. Good afternoon.

9 Q. My name is Oleg Khariton, and I'm going to be
10 deposing you in connection with your declaration.

11 Have you ever been deposed before?

12 A. No, I don't believe so. I've been involved in
13 court testimony and interviews, but not a formal
14 deposition.

15 Q. Okay. So you've testified in a -- in court
16 before; is that right?

17 A. Yes.

18 Q. Approximately how many times?

19 A. Oh, at least a dozen, maybe around 15 times.

20 Q. And what type of cases have -- have you
21 testified in?

22 A. They've all been criminal cases in Superior
23 Court.

24 Q. And what kind of issues were you testifying on,
25 generally?

1 A. So this was all in relation to my position with
2 -- with the Arizona Department of Public Safety, in
3 their crime lab. So I was testifying to work I did on
4 fingerprints, developing, recording, comparing
5 fingerprints in -- in these criminal cases.

6 Q. Okay. Well, I'm going to take just a couple of
7 moments to go over some -- some basics. So, obviously,
8 I'm going to be asking a series of questions, and the
9 stenographer is going to be taking down the questions
10 and your answers. So to help him, let's do our best not
11 to talk at the same time. Please answer verbally, so
12 avoid simply nodding or shaking your head. And if you
13 don't understand a question, just let me know, and I'll
14 do my best to clarify it for you.

15 If you answer a question, then I'm going
16 to assume that you heard it and that you understood
17 it. And if you need a break at any point, just let me
18 know. And as long there's not a question pending, we'll
19 break.

20 So what, if anything, did you do to
21 prepare for your deposition today?

22 A. So I reviewed my declaration and some of the
23 other documents that was provided to me in relation to
24 this case.

25 Q. When you say documents that were provided to

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
