Edwards SAPIEN 3 Transcatheter Heart Valve

Edwards SAPIEN 3 Transcatheter Heart Valve

DESIGNING THE FUTURE OF TAVI

The SAPIEN 3 valve was designed to meet the most critical needs in TAVI, with an outer skirt to minimize paravalvular leak and an ultra-low delivery profile that reduces vascular and bleeding complications. Together, we're designing the future of TAVI.

For professional use. See instructions for use for full prescribing information, including indications, contraindications, warnings, precautions, and adverse events.
Edwards Lifesciences devices placed on the European market meeting the essential requirements referred to in Article 3 of the Medical Device Directive 90/269/EEC bear the CE marking of conformity.
Material for distribution only in countries with applicable health authority product registrations. Material not intended for distribution in USA or Japan. Indications, contraindications, warnings, and instructions for use can be found in the product labeling supplied with each device.
