v.

EVOLVED WIRELESS LLC,,  
Patent Owner

Case IPR2017-00068  
Patent 8,218,481

---

**REPLY TO PATENT OWNER'S OPPOSITION  
TO MOTION FOR JOINDER**

After the filing of Patent Owner's Opposition, the parties conferred regarding the remaining issues with respect to joinder. Petitioner and Patent Owner have reached agreement on the following two related items:

1. Petitioner agrees to withdraw its Motion for Joinder with respect to dependent claims 4 and 11 of the '481 patent. Stated differently, Petitioner is only seeking to join IPR2016-00758 with respect to those claims that were instituted.
2. Patent Owner agrees to fully withdraw its Opposition to Petitioner's Motion for Joinder.

In lieu of a joint stipulation to reflect this agreement, which was proposed by Petitioner, counsel for Patent Owner indicated the following by e-mail on December 12, 2016:

"Petitioners may inform the Board that Patent Owner's opposition is only to those grounds/claims that were not instituted in IPR2016-00758."

Given that Petitioner agrees to withdraw pursuing institution of grounds/claims not instituted in IPR2016-00758 in its Motion for Joinder (i.e., claims 4 and 11), Petitioner's Motion for Joinder now stands unopposed.

Petitioner thus requests that the Board institute an IPR on the remaining grounds in

the present case and grant Petitioner's Motion for Joinder to IPR2016-00758 with respect to the instituted grounds.

Respectfully submitted,

Date: December 13, 2016
