

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

APPLE INC., MICROSOFT CORPORATION, MICROSOFT MOBILE OY,
AND MICROSOFT MOBILE INC. (f/k/a NOKIA INC.),
Petitioner

v.

EVOLVED WIRELESS LLC,
Patent Owner

Case IPR2017-00068
Patent 8,218,481

**SUPPLEMENTAL REPLY TO PATENT OWNER'S OPPOSITION
TO MOTION FOR JOINDER**

In the Conduct of the Proceeding Order issued by the Board on December 21, 2016 (Paper No. 13), the Board requested that Petitioner expressly indicate its decision to dismiss its petition as to the claims for which trial was not instituted in IPR2016-00758. To that end and pursuant to the agreement reached between Petitioner and Patent Owner as set forth in the Reply to the Patent Owner's Opposition (Paper No. 8) filed on December 13, 2016, Petitioner hereby expressly dismisses its petition as to claims 4 and 11 of the '481 patent, which were not instituted in IPR2016-00758. Notably, Petitioner does not abandon any grounds in its petition directed to the claims that were instituted in IPR2016-00758.

Petitioner's Motion for Joinder stands unopposed (Paper No. 13, "Counsel for Patent Owner agreed that, if the non-instituted claims are dismissed from the Petitions in the joinder cases, Patent Owner does not oppose joinder of Petitioners to IPR2016-00758."). Petitioner thus requests that the Board institute an IPR on the remaining grounds in the present case and grant Petitioner's Motion for Joinder to IPR2016-00758 with respect to the instituted grounds.

Respectfully submitted,

Date: 12-30-16

/ W. Karl Renner /
