KAWASAKI RAIL CAR, INC.,  
Petitioner,

v.

SCOTT BLAIR,  
Patent Owner.

---

Case IPR2017-00117  
Patent 6,700,602 B1

---

Before JAMESON LEE, SCOTT A. DANIELS, and  
KEVIN C. TROCK, *Administrative Patent Judges*.

LEE, *Administrative Patent Judge*.

ORDER  
Conduct of Proceeding  
*37 C.F.R. § 42.5(a)*

It has come to the attention of the Board that Items 4–6 of Patent Owner’s Corrected Observations on Cross-Examination (Paper 30) are in violation of this requirement imposed in our Order dated May 4, 2017 (Paper 12, 4): “Each observation should not exceed a single, short paragraph.”

ORDER

Accordingly, it is

ORDERED that Items 4–6 of Patent Owner’s Motion for Observations on Cross Examination (Paper 30) are dismissed;

FURTHER ORDERED that Patent Owner is authorized to file, within seven calendar days of the date of this Order, a Supplemental Motion for Observation on Cross Examination, which brings Items 4–6 into compliance as new items starting with Item 14;

FURTHER ORDERED that no additional subject matter may be included in the Supplemental Motion for Observations; and

FURTHER ORDERED that Petitioner is authorized to file, within five calendar days of Patent Owner’s Supplemental Motion for Observation, a Response to Supplemental Motion for Observation, and that the response to each observation is also limited to a single, short paragraph.
