Dear Sirs:

In response to the Order entered November 29, 2017 counsel for Patent Owner would like to inform the Board that they will not be filing a response.

Subsequent to the conference call held by the Board on November 17, 2017, Petitioner has entered a complete copy of the proposed FRA rules that were at issue.

On November 28, 2017 Patent Owner also took the deposition of Lowell Malo. Patent Owner believes that the cross-examination testimony of Mr. Malo addresses the other issues raised at the conference in connection with Petitioner's Reply submissions and will submit Observations on this testimony.

Accordingly, Patent Owner withdraws its request to challenge the scope of the Petitioner's Reply and will not be making any submissions in connection with the issues raised at the conference and the Board's subsequent November 29, 2017 Order.

Thank you,  
Jennifer Meredith\*
