ORDER OF DISMISSAL

The parties to this case are involved in parallel proceedings in the U.S. District Court for the Eastern District of Michigan, Civil Action No. 15-cv-10628. On October 22, 2015, the parties notified this court that an October 14, 2015 Opinion and Order was entered in that case by the Hon. Matthew F. Leitman. [Dkt. # 67]. Judge Leitman denied Versata's Motion to Dismiss, or Alternatively to Transfer to the Eastern District of Texas. [Dkt. # 67-1]. On November 5, 2015, this court gave the parties until November 30, 2015 to file notice of any good faith reasons that this case should not be dismissed, without prejudice, so that the issues may be dealt with by the Michigan court. [Dkt. # 68]. Only Plaintiff responded, stating that it was not opposed to dismissal. [Dkt. # 69].

Based on Judge Leitman's ruling and the fact that neither party has provided arguments against dismissing the case, it is ORDERED that this case is DISMISSED without prejudice to Plaintiff's ability to assert its claims in the Michigan court.

So ordered and signed on

Dec 3, 2015

Ron Clark, United States District Judge
