Petitioner,

v.

MONOSOL RX, LLC,
Patent Owner.

Case IPR2017-00200
Patent 8,603,514 B2

Before ERICA A. FRANKLIN, TINA E. HULSE, and
CHRISTOPHER G. PAULRAJ, *Administrative Patent Judges*.

FRANKLIN, *Administrative Patent Judge*.

ORDER

Granting Joint Motion to Terminate the Proceeding After Institution
37 C.F.R. §§ 42.71; 42.74

On September 29, 2017, the parties filed a joint motion to terminate the proceeding under 35 U.S.C § 317(a). Paper 19. In addition, citing to 35 U.S.C § 317(b) and 37 C.F.R. §§ 42.72 and 42.74, the parties filed a copy of their written settlement agreement, Ex. 1030, and a joint request that the settlement agreement be treated as business confidential information and kept separate from the file of U.S. Patent No. 8,603,514 B2, Paper 20.

In the joint motion, the parties explain that termination of the proceeding is appropriate because they have reached an agreement settling their dispute with respect to U.S. Patent No. 8,603,514 B2. Paper 19, 1. The parties explain also that they have agreed to file a “Consent Judgment” in the related district court litigation, *Indivior Inc., et al. v. Mylan Technologies Inc., et al.*, C.A. No. 1:15-01016-RGA (D. Del.). *Id.*

Under these circumstances, we determine that it is appropriate to enter judgment terminating this proceeding. Additionally, we grant the parties’ request for the settlement agreement to be treated as business confidential information and kept separate from the file of U.S. Patent No. 8,603,514 B2.

Accordingly, it is

ORDERED that the joint motion to terminate the proceeding is *granted*; and

FURTHER ORDERED that the joint request that the settlement agreement, Ex. 1030 (original and replacement), be treated as business confidential information and kept separate from the file of the involved patent under the provisions of 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c) is *granted*; and

FURTHER ORDERED that the proceeding is *terminated*.
