Subject: Mylan Pharmaceuticals Inc. v. ICOS Corp. - IPR2017-00323

Sir/Madam,

Counsel for Patent Owner would like clarification on the due date for its preliminary response. The Notice of Filing Date Accorded is dated December 9th and states that the due date for the preliminary response is three months from the date of the notice. However, the Notice was not provided (uploaded to the USPTO's E2E system) until December 12th. Patent Owner would therefore like to confirm that the preliminary response is not due until March 12th, three months from the actual date notice was given. Counsel for Patent Owner is available for a call with the Board to discuss this issue, if necessary.

Best regards,

Maureen
