Case IPR2017-00355  
U.S. Patent No. 7,650,015

---

**JOINT MOTION TO TERMINATE *INTER PARTES* REVIEW**

Pursuant to 35 U.S.C. § 317(a), the Petitioner and Patent Owner jointly request termination of this *inter partes* review, which is directed to U.S. Patent No. 7,650,015.

Termination of this review is appropriate because the parties have resolved their dispute regarding U.S. Patent No. 7,650,015 and have reached an agreement to, among other things, terminate this review. Ex. 2007, Settlement Agreement (submitted as business confidential information pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c)). “Generally, the Board expects that a proceeding will terminate after the filing of a settlement agreement.” *Oracle Corp. v. Cmty. United IP, LLC*, CBM2013-00015, Paper 13 (July 25, 2013) (citing Office Patent Trial Practice Guide, 77 Fed. Reg. 48756, 48765–66 (Aug. 14, 2012)).

The petition for review was filed on November 30, 2016. Patent Owner filed a preliminary response on March 14, 2017. The *inter partes* review was instituted on May 25, 2017. Termination at this early juncture promotes efficiency, conserves Board resources and minimizes unnecessary costs.

On July 10, 2017, the parties advised the Board that they have reached a settlement, and sought authorization to file a joint motion to terminate the proceeding. The Board authorized the filing of a joint motion to terminate this proceeding on July 13, 2017. Per the Board’s July 13, 2017 Order, a true copy of the parties’ confidential written settlement agreement is being filed as an exhibit

contemporaneously with this joint motion to terminate. The settlement agreement is being filed for access by the “Parties and Board Only.” The parties desire that the settlement agreement be maintained as business confidential information under 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c), and a separate joint request for such is being filed contemporaneously.
