Counsel,

Following our telephone conference yesterday, the panel seeks further clarification from Patent Owner regarding whether it intends to file Preliminary Responses to the Teva and Akorn Petitions, or if Patent Owner waives those Preliminary Responses.

Patent Owner, please respond to this email by close of business on Monday, April 3, 2017.

Counsel,

The panel requests a teleconference among Patent Owner Allergan, Inc. and Petitioners Famy Care Limited ("FCL") and Mylan Pharmaceuticals to discuss FCL's motion for joinder filed in IPR2017-00566, -00567, -00568, -00569, -00570, and -00571. The panel is inclined to grant the motions for joinder, but would like to discuss various procedural issues with the parties, including the case schedule and proposals for supplemental briefing, if any. Petitioners Teva Pharmaceuticals USA, Inc. and Akorn, Inc., who have also filed motions for joinder, may join the call if they would like, but their attendance is not required.

The panel is available on Friday, March 24, at 1 pm ET. Should the parties not be available at this time, the panel requests that the parties confer and propose a time between 12 PM and 2 PM ET on any day between March 27th to March 31st.
