Counsel,

On Friday, June 15, 2018, a draft decision in IPR2017-00626 was inadvertently entered in PTAB E2E. That decision was expunged within minutes of the mistaken entry. The panel plans to issue an order indicating that inadvertent entry was not a final agency decision. The panel invites the parties to request a conference call to discuss the issue if desired by Thursday, June 21. If we do not hear from the parties by that time, the panel will proceed with the order noted above and with entry of a final decision in due course.

Regards,
