And I don't, you know, mean to interrupt your flow. We're happy to meet and confer off the record or on the record about this. But working drafts and drafts of expert reports under Rule 26 are protected under the work product doctrine. And I guess I don't know where you're going with these questions. But in general those	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	one-sentence objections under the rules here in IPR's. MR. QUIST: Understood. And that's — that whole length of conversation is not meant to be an objection. The — I am happy to meet and confer with you. We just want to try and understand what — the scope of your questions here so we know what — what falls inside and outside of the privilege. And it's not clear from your — from your questions so far. So, the objection is simply privilege. My instruction to the expert is not to respond to the extent it essentially runs afoul of Rule 26, which I'm happy to recite or — sorry, not recite, but read if — if necessary to clear anything up. MR. HENKELMANN: Okay. BY MR. HENKELMANN: Q. I just want to ask the same question for the '399.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	MR. QUIST: Objection. Form. Objection. Privilege. Same instruction as to privilege. THE WITNESS: It's the same answer. I don't recall specifically other than to say what my general practice is. BY MR. HENKELMANN: Q. Did you work with counsel on drafting this declaration? MR. QUIST: Counselor, I'm — I think that we're — I think these questions are directed at privileged subject matter under the work product privilege afforded by Rule 26. And I don't, you know, mean to interrupt your flow. We're happy to meet and confer off the record or on the record about this. But working drafts and drafts of expert reports under Rule 26 are protected under the work product doctrine. And I guess I don't know where you're going with these questions. But in general those are protected communications. And drafts of expert	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	one-sentence objections under the rules here in IPR's. MR. QUIST: Understood. And that's that whole length of conversation is not meant to be an objection. The I am happy to meet and confer with you. We just want to try and understand what the scope of your questions here so we know what what falls inside and outside of the privilege. And it's not clear from your from your questions so far. So, the objection is simply privilege. My instruction to the expert is not to respond to the extent it essentially runs afoul of Rule 26, which I'm happy to recite or sorry, not recite, but read if if necessary to clear anything up. MR. HENKELMANN: Okay. BY MR. HENKELMANN: Q. I just want to ask the same question for the '399. Dr. Almeroth, did you write the first

DOCKET

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
