1	IRVINE, CALIFORNIA; WEDNESDAY, FEBRUARY 7, 2018
2	9:02 A.M.
3	
4	WARNER WESTOVER CARR, M.D.,
5	having been first duly sworn,
6	was examined and testified as follows:
7	
8	EXAMINATION
9	BY MR. HOUSTON:
10	Q Good morning, sir. Could you start by stating
11	your full name for the record.
12	A Yes. My full name is Warner Westover Carr.
13	Q And is "Dr. Carr" okay for me to refer to you
14	as today?
15	A Sure.
16	Q Good morning, Dr. Carr. My name is Michael
17	Houston. I'm an attorney with Foley & Lardner, and we
18	represent the petitioner in this case, Argentum
19	Pharmaceuticals. And I understand you're a witness here
20	today on behalf of the patent owner Cipla. Is that
21	right?
22	A That is correct.

1	Q And I believe you've been deposed at least one
2	other time in the proceeding on this same patent and on
3	another patent in a case that was Cipla and Meda versus
4	Apotex. Is that correct?
5	A Yes, that's correct.
6	Q So I'm going to assume that you're familiar,
7	generally familiar with the rules of the deposition, but
8	I'll just highlight a couple of things this morning for
9	you, and you can let me know if you need further
10	explanation.
11	But you understand that you're under oath now,
12	and that I'm going to ask you a series of questions,
13	you're going to answer them to the best of your ability,
14	unless your attorneys instruct you not to, and the court
15	reporter's going to try to record my questions and your
16	answers as best she can. You understand that?
17	A Yes, I do.
18	Q And also, because of your familiarity with this
19	general subject matter, particularly in regards to the
20	prior case, I will sort of tend to assume a level of
21	knowledge on your part, familiarity with the material on
22	your part. So I might tend to use acronyms and things

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
