Adam,

The additional individuals that we believe Cipla must make available for deposition are Dr. Govindarajan, Dr. Herpin, Dr. Malhotra, and a representative from Avomeen. Absent making such depositions available, we will seek to have the data/report/declaration testimony from these sources excluded from the proceeding.

Please let me know when you are available to discuss the scheduling of these depositions, as well as those for the other declarants mentioned in my prior email below.

Best regards,

Mike
