Dear Ms. Wilburn,

We represent Patent Owner in this proceeding. In your below email setting up a conference call for January 10, you invited the parties to “jointly” submit the chain of email correspondence about the underlying discovery dispute. Petitioners have told us that they object and decline to submit the email chain. Patent Owner believes the correspondence will help crystalize the issues and allow the Board to resolve Petitioners’ request for discovery more efficiently. Patent Owner respectfully asks for permission to submit the email chain over Petitioners’ objection.

Respectfully submitted, Jane M. Love, Ph.D. (Lead Counsel for Patent Owner).

Jane M. Love, Ph.D.
