**I. STATEMENT OF THE PRECISE RELIEF REQUESTED**

GlobalFoundries U.S. Inc. (“Global”) respectfully submits this Motion for Joinder, together with a Petition for *Inter Partes* Review of U.S. Patent No. 6,197,696 B1 (“the ’696 Patent”) (“Petition”). Pursuant to 35 U.S.C. § 315(c), 37 C.F.R. §§ 42.22 and 42.122(b), Global requests institution of an *inter partes* review and joinder with the *inter partes* review concerning the same patent in *Taiwan Semiconductor Manufacturing Company Limited (“TSMC”) v. Godo Kaisha IP Bridge 1*, Case No. IPR2016-01379 (the “Fourth TSMC IPR”), which was filed on July 12, 2016.

Global submits that: (1) joinder is appropriate because it will promote efficient determination of the validity of the ’696 Patent without prejudice to Godo Kaisha IP Bridge 1 (“IP Bridge”); (2) Global’s Petition includes grounds that are essentially the same as the ground instituted in the Fourth TSMC IPR; (3) joinder would not affect the pending schedule in the Fourth TSMC IPR nor increase the complexity of that proceeding, minimizing costs; and (4) Global is willing to act as an “understudy” to TSMC, only assuming an active role in the event TSMC settles with IP Bridge. Thus, Petitioner does not seek to alter the grounds upon which the Board has already found support in instituting the Fourth TSMC IPR, and joinder will have no impact on the existing schedule in the Fourth TSMC IPR.

This Motion for Joinder is timely under 37 C.F.R. §§ 42.22 and 42.122(b), as it is submitted within one month of the date on which the Fourth TSMC IPR was instituted.
