1   DANIEL R. OLSEN, Ph.D.

2   *   *   *

3   Whereupon,

4   DANIEL R. OLSEN, JR., Ph.D.,

5   a witness called for examination, having been

6   first duly sworn, was examined and testified as

7   follows:

8   *   *   *

9   EXAMINATION

10   BY MS. LEE:

11   Q.   Good morning, Dr. Olsen.

12   A.   Good morning.

13   Q.   So, I know you were deposed on

14   Friday, but I just want to remind ourselves of

15   some of the rules for the deposition.

16   A.   Okay.

17   Q.   So, the first is I'm going to ask

18   you questions today, and you'll answer them.

19   And from time to time, your counsel may object,

20   but you must still answer the question, unless

21   your attorney instructs you not to do so.

22   Do you understand?

23   A.   Yes.

24   Q.   And we want to be sure to answer

25   questions verbally and not make physical

1   DANIEL R. OLSEN, Ph.D.

2   gestures since it is being transcribed.

3   Do you understand that?

4   A.   Yes.

5   Q.   Okay. And, if you don't understand

6   a question, you can ask me to clarify or to

7   repeat the question, and I will be happy to do

8   so, but otherwise I will assume that you have

9   understood my question.

10   Is that fair?

11   A.   Yes.

12   Q.   And if for any reason you need a

13   break, please ask, and I will do my best to

14   accommodate you, but I will ask that you answer

15   a question if there is one pending before we

16   take the break.

17   Is that okay?

18   A.   Uh-huh.

19   Q.   Is there any reason you cannot

20   provide truthful testimony today?

21   A.   No.

22   Q.   Okay. You understand that today we

23   will be discussing two proceedings:

24   IPR 2017-00913 and IPR 2017-00914.

25   A.   Oh, yes.

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.

fastcase
Smarter legal research.
