**DECLARATION OF STEPHEN P. BOSCO IN  
SUPPORT OF MOTION FOR *PRO HAC VICE*  
ADMISSION**

**DECLARATION OF MR. STEPHEN BOSCO IN SUPPORT OF  
MOTION FOR *PRO HAC VICE* ADMISSION**

I, Stephen P. Bosco, am over eighteen years of age and would be competent to testify as to the matters set forth herein if called upon to do so.

1. I am an attorney in the law firm of Weil, Gotshal & Manges LLP. I have over four years of experience as a patent litigator and have represented clients in numerous patent litigation cases in various United States District Courts.

2. My educational and professional backgrounds make me familiar with the subject matter at hand. Before I became an attorney, I served for six years as an active duty Surface Warfare officer in the United States Navy. During that time, I received training on marine navigation techniques and related technology, and I utilized a wide variety of marine navigational technologies while serving as Officer-of-the-Deck responsible for the safe navigation of a U.S. Navy Frigate. As a result, I am comfortable and experienced with the technology at issue in this proceeding.

3. I am a member in good standing of the bar of the Court of Appeals for the Federal Circuit, the state bar of the Commonwealth of Virginia, and the bar of the District of Columbia.

4. I have not been suspended or disbarred from practice before any court or administrative body.

5. Other than a single *pro hac vice* motion denied for technical reasons, I have never had an application for admission to practice before any court or administrative body denied.

6. No sanction or contempt citation has been imposed against me by any court or administrative body.

7. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.

8. I will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

9. I have not applied to appear *pro hac vice* in any proceedings before the USPTO in the last three years.

10. I am familiar with the subject matter at issue in the proceeding. I am co-counsel for Petitioner in a co-pending litigation, *Garmin Switzerland GmbH et al. v. FLIR Systems, Inc. et al.*, Case No.: 17-cv-01147-SB (D. Or.), in which U.S. Patent No. 7,268,703 is currently asserted. I therefore have an established familiarity with the subject matter at issue in this proceeding, including the prior art.

11. I am an experienced patent litigation attorney, with experience in numerous patent litigations in District Courts across the country. My biography is attached hereto as Ex. 1024.
