Conduct of the Proceeding
37 C.F.R. § 42.5

Patent Owner emailed the Board on June 27, 2018, requesting a telephone conference to discuss alleged new disclosures, evidence and arguments in Petitioner's Supplemental Reply (Paper 47) filed June 22, 2018. Patent Owner asserts that these alleged new disclosures, evidence and arguments are outside the permissible scope of the Supplemental Reply.

No telephone conference will be scheduled at this time. Patent Owner is authorized to file a paper no later than close of business Friday, June 29, 2018, listing in bullet format, the page and line number(s) from Petitioner's Supplemental Reply of any disclosure, arguments, or evidence which Patent Owner asserts to be outside the permissible scope of the Supplemental Reply. Likewise, Petitioner is authorized to file a response to Patent Owner's paper no later than close of business July 5, 2018, listing the page and line number(s) from Patent Owner's Supplemental Response (Paper 45), to which the alleged new disclosure, arguments, or evidence listed in Patent Owner's paper are responsive.
