

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

KAWASAKI RAIL CAR, INC.,

Petitioner,

v.

SCOTT BLAIR,

Patent Owner

Case IPR2017-01036

Patent 6,700,602 B1

**PATENT OWNER'S MOTION FOR *PRO HAC VICE* ADMISSION OF DARIUSH
KEYHANI UNDER 37 C.F.R. § 42.10(c)**

I. INTRODUCTION

Pursuant to 37 C.F.R. § 42.10(c), Patent Owner Scott Blair respectfully requests the *pro hac vice* admission of Dariush Keyhani in this proceeding. This motion is being filed more than twenty-one days after service of the Petition. Petitioner does not oppose this motion.

II. GOVERNING LAW

37 C.F.R. § 42.10(c) governs motions for *pro hac vice* admission in IPR proceedings and provides that

The [USPTO Patent Trial and Appeal] Board may recognize counsel *pro hac vice* during a proceeding upon a showing of good cause, subject to the condition that lead counsel be a registered practitioner and to any other conditions as the Board may impose. For example, where the lead counsel is a registered practitioner, a motion to appear *pro hac vice* by counsel who is not a registered practitioner may be granted upon showing that counsel is an experienced litigating attorney and has an established familiarity with the subject matter at issue in the proceeding.

Motions for *pro hac vice* admission under 37 C.F.R. § 42.10(c) should be filed in accordance with the “Order Authorizing Motion for *Pro Hac Vice* Admission” entered in *Unified Patents, Inc. v. Parallel Iron, LLC*, IPR2013-00639, Paper 7 (Oct. 15, 2013). In that Order, the Board explained that a motion for *pro hac vice* admission must (1) “[c]ontain a statement of facts showing there is good cause for the Board to recognize counsel *pro hac vice* during the proceeding” and (2) “[b]e accompanied by an affidavit or declaration of the individual seeking to appear attesting to the following:

- i. Membership in good standing of the Bar of at least one State or the District of Columbia;
- ii. No suspensions or disbarments from practice before any court or administrative body;

- iii. No application for admission to practice before any court or administrative body ever denied;
- iv. No sanctions or contempt citations imposed by any court or administrative body;
- v. The individual seeking to appear has read and will comply with the Office Patent Trial Practice Guide and 3 the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.;
- vi. The individual will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 et. seq. and disciplinary jurisdiction under 37 C.F.R. § 11.19(a);
- vii. All other proceedings before the Office for which the individual has applied to appear *pro hac vice* in the last three (3) years; and
- viii. Familiarity with the subject matter at issue in the proceeding.”

III. GOOD CAUSE EXISTS FOR ADMITTING MR. KEYHANI *PRO HAC VICE* IN THIS PROCEEDING

“The Board may recognize counsel *pro hac vice* during a proceeding upon a showing of good cause, subject to the condition that lead counsel be a registered practitioner and to any other conditions as the Board may impose.” 37 C.F.R. § 42.10(c). Patent Owner's lead counsel, Jennifer Meredith, is a registered practitioner (Reg. No. 47,790).

Further, based on the facts set forth in this motion, as supported by Mr. Keyhani's Declaration, there is good cause to admit Mr. Keyhani *pro hac vice* in this proceeding. Mr. Keyhani is litigation counsel representing Patent Owner Jason Blair in parallel proceedings in federal district court for infringement of the patent claims and also defending the validity of the claims for counterclaims for invalidity brought by Petitioner Kawasaki Rail Car, Inc. For over one and a half years, Mr. Keyhani has been preparing and prosecuting this case and have been involved

consistently and substantively in this matter. He has read in detail and understands the challenged patent, U.S. Patent No. 6,700,602 (which covers a subway television media system), and he has reviewed in detail all of the exhibits in this proceeding. During this time, Mr. Keyhani has studied the patent specification comprehensively and worked closely with the client/inventor to learn the patent and patent technology. He has also worked with two separate technical experts in understanding and learning the technology and the claims of the patent. Additionally, Mr. Keyhani has worked closely and extensively with co-counsel Jennifer Meredith, who is an engineer.

Thus, Mr. Keyhani has an established familiarity with the subject matter at issue in this proceeding as well as significant litigation experience and expertise. Accordingly, good cause exists to admit Mr. Keyhani *pro hac vice* in this proceeding.
