Bimatoprost 0.03%	bimatoprost	2/2015	Q2 2015	–

Source: IQVIA; CVS/Caremark; Orange Book; SEC Filings

Note: RESCULA<sup>®</sup> is not a prostaglandin analog drug, but I understand that it belongs to the same therapeutic category. RESCULA<sup>®</sup> was first launched in October 2000 and then relaunched in February 2013.
