**DECLARATION OF ERIC PEPPER**

TWITTER, INC.  
EXHIBIT 1005

I, Eric Pepper, do hereby declare as follows:

1. I am the Director of Publications at the Society of Photo-Optical Instrumentation Engineers, dba SPIE—the international society for optics and photonics.
2. I have been employed at SPIE since March 1982, and am personally familiar with the organization’s regular business practices, including the presentation and publication of papers and journal articles to the interested public.
3. SPIE maintains the SPIE Digital Library, which is an online publication platform wherein SPIE publishes papers presented at its professional conferences in the form of conference proceedings. The paper attached hereto, labeled Ex. 1006, was published online in the SPIE Digital Library on February 10, 2006, and became publicly available on that date. The full citation for the paper is Janne Lahti, Marko Palola, Jari Korva, Utz Westermann, Kostas Pentikousis, and Paavo Pietarila, “A mobile phone-based context-aware video management application,” Proc. SPIE 6074, Multimedia on Mobile Devices II, 60740O (February 10, 2006); doi:10.1117/12.642204; <http://dx.doi.org/10.1117/12.642204>.
4. The full paper (Ex. 1006) was available to anyone with a Digital Library subscription, either via a personal subscription or with access through

their institution's subscription to the SPIE Digital Library. It was also available for purchase by any individual using pay-per-view. Availability was global via the SPIE Digital Library website at <http://SPIEDigitalLibrary.org>.

5. The paper (Ex. 1006) was also published in the printed proceedings, which was mailed to conference attendees, libraries with standing orders, and to anyone who purchased the proceedings over the transom. The printed proceedings was received from SPIE's printer on February 28, 2006, and was mailed to recipients on or after that date.

I, Eric Pepper, do hereby declare and state that all statements made herein are true to the best of my knowledge and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
