

Declaration of Laurence W. Lannom

1. I, Laurence W. Lannom, make this declaration of my own personal knowledge.
2. I am the Editor of D-Lib Magazine (“D-Lib”). D-Lib Magazine is a publication of Corporation for National Research Initiatives (“CNRI”) with a focus on digital library research and development, including new technologies, applications, and contextual social and economic issues. CNRI has been making issues of D-Lib available in the Internet on a monthly or bi-monthly basis since 1995. D-Lib is made freely available to any member of the public when it is released on the D-Lib Magazine website ([www.dlib.org](http://www.dlib.org)).
3. The article *Reference Linking for Journal Articles* was published in the July/August 1999 edition of D-Lib Magazine and was posted to the D-Lib website on or about August 1999 as part of the publication of the July/August 1999 edition of the magazine.
4. The article *Reference Linking for Journal Articles* is available at the URL <http://www.dlib.org/dlib/july99/caplan/07caplan.html>. It is D-Lib’s practice to assign URLs that reflect an article’s publication date. An article with the term “july99” in its URL would have been published in the combined July/August 1999 edition of the magazine.
5. According to D-Lib’s policies, any subsequent changes to a published article are noted in editorial notes. There are no editorial notes in the article *Reference Linking for Journal Articles* currently available at the *D-Lib Magazine* website (see <http://www.dlib.org/dlib/july99/caplan/07caplan.html>).
6. I declare under penalty of perjury that, to the best of my knowledge and belief, the foregoing is true and correct.
