IPR2017-01374 (Patent 6,407,213 B1)

A conference call in the above proceedings was held on June 18, 2018, among respective counsel for Petitioner and Patent Owner, and Judges Pollock, Snedden, and Yang. The purpose of the call was to discuss Patent Owner's request for authorization to file a motion to strike certain arguments and evidence cited in Petitioner's May 25, 2018 Reply Brief relating to Foote reference (Ex. 1193)<sup>2</sup>. A court reporter was on the call. Counsel for Patent Owner will file a copy of the transcript when it becomes available to maintain the record of the proceedings. Considering the arguments set forth on the call, we agree with Patent Owner that briefing on this issue is warranted.

Accordingly, it is hereby:

ORDERED that Patent Owner is authorized to file a motion to strike portions of Petitioner's Reply and associated evidence in each of the instant proceedings. Patent Owner's motion is limited to 10 pages and shall be filed on or before the close of business on Friday, June 22, 2018.

FURTHER ORDERED that Petitioner is authorized to file, in each of the instant proceedings, a response to Patent Owner's motion. Petitioner's responsive brief is limited to 10 pages and shall be filed on or before the close of business on Friday, July 7, 2018.
