UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

CELLTRION, INC.,
Petitioner,

v.

GENENTECH, INC.,
Patent Owner.

Case IPR2017-01373
Patent 6,407,213

NOTICE OF REPLACEMENT OF EXHIBIT 2030

On September 6, 2017, Patent Owner filed a Patent Owner Preliminary Response (POPR). Patent Owner included with the POPR filing a motion to seal, along with a modified protective order (Exhibit 2030) and a redline version (Exhibit 2031). The redline version correctly reflects the parties' agreed modifications; however, the executed version filed as Exhibit 2030 does not include all of the agreed upon changes.

On September 7, 2017, the Patent Owner sought authorization to replace the existing modified protective order (Exhibit 2030), with the correct modified protective order (and labeled Exhibit 2030) which includes all of the changes agreed upon by the parties as reflected in the redline version (Exhibit 2031). Petitioner consents to this request.

On September 11, 2017, the Board granted Patent Owner's request and authorized Patent Owner to file the corrected Exhibit 2030 by close of business on September 11, 2017.

The contents of the replacement copy of Exhibit 2030 herewith is the same as the original exhibit except as outlined above.

Respectfully submitted,

Date: September 11, 2017
