UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

CELLTRION, INC.
Petitioner,

v.

GENENTECH, INC.,
Patent Owner.

Case IPR2017-01373
Patent 6,407,213

**STATEMENT REGARDING REDACTION OF FINAL WRITTEN
DECISION AND OTHER MATERIALS**

In its Final Written Decision (Paper 86), the Board invited Patent Owner to file a renewed motion to seal portions of the Final Written Decision or certain materials relied upon in the Final Written Decision, if Patent Owner wished to maintain a claim of confidentiality to those materials.

Patent Owner states that the Final Written Decision does not contain confidential information and does not require redaction.

Further, Patent Owner does not seek to seal any portion of the exhibits and papers addressed by Petitioner's Motion to Seal (Paper 82) directed to Exhibits 1139-1142, portions of the Reply (Paper 53), portions of the Riechmann Reply Declaration (Ex. 1143), Petitioner's Motion to Exclude (Paper 63), and Petitioner's Amended Reply in Support of its Motion to Exclude (Paper 82).

Patent Owner also does not renew its motion to seal any portion of the presently protected exhibits that are relied upon the Final Written Decision, which includes Exhibits 2016 and 2017.

The Board's Final Written Decision reaffirmed its decision granting Patent Owner's motion to seal confidential laboratory notebooks and other confidential research materials (Exhibits 2001-2015), which were not addressed in the Final Written Decision in this proceeding. Paper 86 at 53. To the extent that portions of those materials were addressed in the Final Written Decisions in related IPR2017-

IPR2017-01373
Statement Regarding Redaction of Final
Written Decision and Other Materials

01374 and IPR2017-01488, Patent Owner is submitting concurrently in those proceedings a renewed motion to seal any portions of those exhibits that Patent Owner believes should remain under seal.

Respectfully submitted,

Date: December 13, 2018
