and venue that have been previously raised. For example, SIE maintains that the Court lacks personal jurisdiction over it and that venue is improper in this case, and instead avers that it has been improperly named in this suit. Apple, Facebook, and WhatsApp have filed motions seeking a change of venue. Defendants also reserve all rights to challenge venue, as appropriate, based on the outcome of *TC Heartland LLC v. Kraft Foods Group Brands LLC*, Case No. 16-341 (S. Ct.).
