Subject: RE: IPR2017-01488/-01489/-01373/-01374: Demonstratives
Date: Thursday, June 28, 2018 2:32:58 PM

Dear Honorable Board,

Regarding service of demonstratives (37 CFR 42.70(b)), the Petitioners in the above-captioned proceedings seek a modification of the time for service from July 5 to July 11 at 10 pm ET. Patent Owner has indicated that it does not oppose Petitioners' request so long as it is mutual. Petitioners submit that the modification will allow the parties additional time to prepare demonstratives in view of several due dates in these proceedings as well as other proceedings involving the same counsel and parties.

Petitioners wish to notify the board of the parties' agreement on the service date and to the extent the Board finds it appropriate or necessary, Petitioners will file a paper seeking approval of the modification.

Petitioners submit that parties' agreement still affords sufficient time for a meet and confer on the demonstratives if the parties wish to discuss any objections and, also, does not disturb the time for filing of demonstratives, which according to 37 CFR 42.70(b) must be "filed no later than the time of the oral argument." The parties can file them earlier as the Board may determine in the Order regarding the Oral Hearing for these IPRs.

The guidance of the Board is appreciated.

Regards,

Mark
