Subject: IPR2017-01488/-01489/-01373/-01374: Request to Seal

Dear Honorable Board,

In view of the protective order and the Board's prior order granting Patent Owner's motion to seal in each of these proceedings, Patent Owner requests to seal the portions of the hearing and the demonstratives that relate to antedation for 30 days after receipt of the hearing transcript by the parties. During the 30 days, the parties may agree to, or request the Board to, continue to seal all or a portion thereof. Because both proceedings implicate the same material, Patent Owner does not object to having counsel for Pfizer, Celltrion, and Samsung present at each hearing.

Patent Owner has discussed this proposal with Petitioners, and Petitioners do not oppose sealing the portions of the hearing and the demonstratives as outlined above. Should the Board wish to discuss this issue on a conference call, the parties are generally available on Thursday (except from 11:30-1 ET).

Thank you for your consideration.

Respectfully,

Lauren Blakely
