Yallcast Project Mailing Lists

NEW Dec. 15, 1999

Note that the announce and discuss email addresses have been changed.

Members on the former lists have been moved over to these.

(Sorry for the use of a commercial group service, but it really is convenient ...)

Yallcast Project Announcements (yc-announce@egroups.com)

List for occasional announcements about the yallcast project, including new software, documents, or projects.
