# DECLARATION OF DR. LI GONG

I, Dr. Li Gong, declare as follows:

1.   I am over the age of 21, and have personal knowledge regarding the facts contained herein.

2.   I am currently the Chairman and Chief Executive Officer at Acadine Technologies at 21 Jianguo Menwai Street, Beijing 100020, China.

3.   I have reviewed Exhibits 1016 and 1037 to Google LLC's Petitions for *Inter Partes* Review of U.S. Patent No. 8,489,868 in IPR2017-01619 and IPR2017-01620. Exhibits 1016 and 1037 are each excerpts of a true and correct copy of Gong, Li, "Inside Java 2 Platform Security Architecture: Cryptography, APIs, and Implementation" (hereinafter, "*Gong*"), a book I authored while employed at Sun Microsystems in Cupertino, California.

4.   As detailed below in paragraphs 5-6, *Gong* was available publicly and sold to the public before September 21, 2000.

5.   *Gong* was released to the public and available for purchase by the public no later than the JavaOne conference in June of 1999, which I attended. I held a book signing for *Gong* during the conference. *Gong* was also available for purchase by the public over the Internet in 1999.

6.   I began receiving royalty payments for sales of *Gong* in the second half of 1999.

7.   I declare that all statements made herein of my knowledge are true, and that all statements made on information and belief are believed to be true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
