1 PTAB Conference Call

2 ADMINISTRATIVE PATENT JUDGE: Hi.

3 Good afternoon, everyone. This is Judge Moore.

4 Do we have representatives from both
5 sides on the line?

6 MR. PALYS: Good afternoon, Your
7 Honor.

8 This is Joseph Palys for Petitioner,
9 and I'm joined with Phillip Citroen.

10 ADMINISTRATIVE PATENT JUDGE: Is the
11 Patent Owner on as well?

12 MR. DILLON: Good afternoon, Your
13 Honor.

14 This is Sam Dillon for Patent Owner,
15 and with me is Sharon Lee.

16 ADMINISTRATIVE PATENT JUDGE: Okay.

17 And we also have a court reporter?

18 MR. DILLON: Yes, Your Honor, I do
19 believe so. She just said hello earlier.

20 ADMINISTRATIVE PATENT JUDGE: All
21 right.

22 Will the parties, after the call and
23 in due course, get the transcript filed as an
24 exhibit?

25 MR. DILLON: Yes, Your Honor. This

1 PTAB Conference Call

2 is Sam Dillon for Patent Owner. We will.

3 ADMINISTRATIVE PATENT JUDGE: Okay.

4 So also on the line are Judge Medley
5 and Judge Weinschenk.

6 We are on for IPRs 2017-1619 and
7 1620.

8 Because Patent Owner requested the
9 call, they'll go first, followed by Petitioner,
10 and then we'll go back to the Patent Owner.

11 So Patent Owner, please proceed.

12 MR. DILLON: Thank you, Your Honor.

13 So we had requested this call to
14 request authorization to file a motion to
15 strike certain reply arguments and reply
16 evidence in Petitioner's replies in both
17 proceedings. The issue in both proceedings is
18 essentially the same.

19 Petitioner included a certain set of
20 evidence with its petition to show the public
21 accessibility of the prior art Gong reference.

22 Our preliminary response raised
23 certain issues with the adequacy of this
24 evidence.

25 The institution decision found that

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
