 1                   G. LIGLER
 2   GEORGE T. LIGLER,
 3          called as a witness, having been duly
 4          sworn, was examined and testified as
 5          follows:
 6                   EXAMINATION
 7   BY MR. CITROEN:
 8       Q.   Good morning.
 9       A.   Good morning.
10       Q.   Good to see you again.
11       A.   Good to see you too.
12       Q.   Could you please state your full name
13   and address for the record?
14       A.   Yes.  George Todd Ligler.  My address
15   is 4808 Cypress Ford Drive in the town of
16   Fuquay Varina -- I'll spell it -- F-U-Q-U-A-Y,
17   second word, V-A-R-I-N-A, North Carolina, ZIP
18   code 27526.
19       Q.   Thank you.  So I know we've had
20   depositions before together so I know you
21   understand the ground rules and the process
22   very well, but if you don't mind let's just go
23   through a few of them quickly.
24       A.   Sure.
25       Q.   As you know, I'll be asking
```

```
 1                    G. LIGLER
 2   questions, you'll be providing answers.  Let's
 3   try not to talk over each other so that there's
 4   a clear record.  Please answer all questions
 5   verbally instead of shaking your head or
 6   nodding your head.  I'll try and take breaks
 7   about every hour or so, but if you need a break
 8   sooner than that, just let me know and we can
 9   take a break.  Just let me make sure we finish
10   a line of questioning or answer the question
11   before we take a break.
12        A.   That's fine.
13        Q.   Understood?  Okay.
14             And do you understand that you're
15   under oath today?
16        A.   I do.
17        Q.   Okay.  Are there any reasons that you
18   cannot testify fully and completely today?
19        A.   No, sir.
20        Q.   And accurately?
21        A.   No, sir.
22        Q.   Okay.  Thank you.
23             And do you understand why you're here
24   today?
25        A.   Yes, I think so.
```

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.
