Petition for Inter Partes Review of 7,337,241

Ex. 1003 ("Horst Decl.")

I, Robert Horst, hereby declare as follows:

INTRODUCTION AND QUALIFICATIONS I.

My name is Robert Horst. I have been retained on behalf of Petitioner

Cavium, Inc. ("Cavium") to provide this Declaration concerning technical subject

matter relevant to the petition for *inter partes* review ("Petition") concerning U.S.

Patent No. 7,337,241 (Ex.1001, the "241 Patent"). I reserve the right to

supplement this Declaration in response to additional evidence that may come to

light.

I am over 18 years of age. I have personal knowledge of the facts 2.

stated in this Declaration and could testify competently to them if asked to do so.

3. My compensation is not based on the resolution of this matter. My

findings are based on my education, experience, and background in the fields

discussed below.

I am an independent consultant with more than 30 years of expertise 4.

in the design and architecture of computer systems. My current curriculum vitae is

submitted as Exhibit 1004 and some highlights follow.

5. Currently, I am an independent consultant at HT Consulting where my

work includes consulting on technology and intellectual property. I have testified

as an expert witness and consultant in patent and intellectual property litigation as

well as *inter partes* reviews and re-examination proceedings.

# DOCKET

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

# **Real-Time Litigation Alerts**

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## **Advanced Docket Research**

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

### **Analytics At Your Fingertips**

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

#### API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

#### **LAW FIRMS**

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

#### **FINANCIAL INSTITUTIONS**

Litigation and bankruptcy checks for companies and debtors.

#### **E-DISCOVERY AND LEGAL VENDORS**

Sync your system to PACER to automate legal marketing.
