Before DEBORAH KATZ, *Administrative Patent Judge*.

ORDER – Expunging Papers  
37 C.F.R. §§ 42.5 and 42.7(a)

On March 7, 2018, counsel for Patent Owner sent an e-mail to the Board indicating that the parties jointly request Exhibits 2041–2045 be expunged from the record of this proceeding. Patent Owner explained that those exhibits are items of supplemental evidence that the patent owner will file later, if necessary, in response to a motion to exclude evidence. *See* 37 C.F.R. § 42.64(b)(2). Patent Owner also requested that Paper 14, which is entitled “Patent Owner’s Updated

Case IPR2017-01769 (Patent 9,326,966 B2)

Exhibit List,” be expunged. According to Patent Owner, this is a joint request by both parties.

The request is GRANTED.

It is ORDERED that Exhibits 2041–2045 and Paper 14 be expunged from the record of this proceeding.
