7 Michael Wolfe, also with Paul Hastings,
8 on behalf of Petitioner, Samsung.

9 THE COURT REPORTER: We need to

2 examined and testified as follows:

3 - - -

4 THE COURT REPORTER: The witness
5 is sworn. 10:10

6 MR. CITROËN: And, Brett, before
7 we get started, just really quickly,
8 Petitioner wants to object on the record
9 that this is the first we learned that
10 the deposition will be conducted in this 10:10
11 manner.

12 The deposition notice states that
13 the deposition may be conducted video --
14 videoconferencing. Today, we learned
15 that the deposition is being video 10:10
16 streamed in one direction. We cannot
17 see the questioner or anyone else on the
18 other end of the connection. So this is
19 not technically a videoconference.

20 We reserve the right to seek any 10:10
21 appropriate relief, but we can continue
22 with the deposition.

23 MR. MANGRUM: I'll just state for
24 the record, then, that -- and I'm happy
25 to submit as -- as exhibits, the e-mail 10:10
