1 P R O C E E D I N G S

2 - - -

3 JUDGE CHAGNON: Good morning, everybody.
4 This is Judge Chagnon. I also have Judge Haapala
5 on the line with me today. This is the
6 conference call for IPR2017-01841 and 01843.

7 Do we have counsel for petitioner on the
8 line?

9 MR. SMITH: We do. This Michael Smith,
10 backup counsel for petitioner, and with me is
11 Dave Cavanaugh, lead counsel for petitioner.

12 MR. CAVANAUGH: Good morning.

13 JUDGE CHAGNON: Thank you.

14 Do we have counsel for patent owner on
15 the line as well?

16 MR. HRYCYSZYN: Yes, Your Honor. This is
17 Jerry Hrycyszyn of Wolf Greenfield for patent
18 owner, and with me is Josh Miller.

19 JUDGE CHAGNON: Did either party get a
20 court reporter today for this call?

21 MR. HRYCYSZYN: Yes, Your Honor, there is
22 a court reporter on the line.

23 JUDGE CHAGNON: Sorry. Was that
24 Mr. Hrycyszyn speaking?

1 MR. HRYCYSZYN: Yes.

2 JUDGE CHAGNON: Okay. Great.

3 I will just ask that, once you get the
4 transcript of the call, that you go ahead and
5 file that as an exhibit in both of the
6 proceedings, please.

7 MR. HRYCYSZYN: We will do that, Your
8 Honor.

9 JUDGE CHAGNON: Thank you.

10 So patent owner requested this conference
11 call today, so we will hear first from patent
12 owner.

13 MR. HRYCYSZYN: Your Honor --

14 MR. SMITH: Just in terms of the
15 procedure -- this is Michael Smith for
16 petitioner -- for how we proceed, the patent
17 owner has made four requests. We would ask that
18 we address them one at a time, so the patent
19 owner presents on their first request, and then
20 we have an opportunity to respond. We think this
21 will be the most efficient way to move through
22 the call and to make sure each is addressed on
23 the merits.

24 JUDGE CHAGNON: That is fine with me. Is

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
