I, Narasimha Reddy, do hereby declare as follows:

I. INTRODUCTION

- 1. I have been retained by counsel for Cisco Systems Inc. ("Cisco") as an independent expert witness for the above-captioned Petition for *Inter Partes* Review ("IPR") of U.S. Patent No. 6,775,235 ("the '235 Patent"). I am being compensated at my usual and customary rate for the time I spent in connection with this IPR. My compensation is not affected by the outcome of this IPR.
- 2. I have been asked to provide my opinions regarding whether claims 1, 4-15, and 19-24 (each a "Challenged Claim" and collectively the "Challenged Claims") of the '235 Patent are invalid as they would have been obvious to a person having ordinary skill in the art ("POSITA") as of the earliest claimed priority date. It is my opinion that all of the Challenged Claims would have been obvious to a POSITA after reviewing the prior art discussed below.
 - 3. In preparing this Declaration, I have reviewed:
 - a) EX1001, the '235 Patent;
 - b) EX1002, the file history of the '235 Patent;
 - e) the prior art references discussed below:
 - US Patent 6,243,754 to Guerin et al. ("Guerin") (EX1006);
 - U.S. Patent No. 6,748,439 to Monachello *et al.* ("Monachello") (EX1007);
