To the Honorable Board,

Per the Board's May 16th Order modifying the institution decision in IPR2017-02023, the parties have met and conferred over whether any schedule changes are needed. The Patent Owner seeks to shift DUE DATES 1, 2, 4, and 5 to July 13, October 5, October 26, and November 9, respectively. The Petitioner opposes Patent Owner's proposed schedule change and offered to shift DUE DATE 1 from June 22 to June 27. Neither party believes changes to DUE DATES 6 or 7 are necessary.

The parties respectfully request a conference call. The Patent Owner and Petitioner are available for a call at the convenience of the Board.

Best,
