Re: U.S. Patent Application
Title: MEDIA ONLINE SERVICES ACCESS SYSTEM
Inventor: Thomas R. Wolzien
Our File: 96262/4

Dear Tom:

We are pleased to enclose an advanced draft of the patent application covering your Media Online Services Access System. We also enclose sketches which we have prepared to aid in the description of that system.

Please review the application for completeness and accuracy and provide us with any changes which you think are necessary in order to ensure that the application completely and accurately describes your invention. We will incorporate those changes into the application and then send you the final application together with the necessary documents which you must execute in connection with filing this application in the United States Patent and Trademark Office.

Mr. Thomas R. Wolzien

Re: New U.S. Patent Application
Title: Media Online Services
Access System and Method
Inventor: Thomas R. Wolzien
Our File: 96262/4

Dear Tom:

Based on the comments in your January 12, 1996 letter and our subsequent telephone conversation, we have revised and enclose two copies of the patent application covering your Media Online Services Access System and Method for accessing online services. Please review the application for completeness and accuracy.

If the application completely and accurately describes your invention, please execute the Declaration attached to the application as well as the Small Entity Statement which is also enclosed and return the application, executed Declaration and executed Small Entity Statement to us for filing in the U.S. Patent and Trademark Office. The second copy of the application, Declaration and Small Entity Statement are for your files.

Mr. Thomas R. Wolzien
