PATENT OWNER'S MOTION TO SEAL

Pursuant to the Protective Order requested by the parties, Patent Owner respectfully moves to seal its RPI Observations (Paper 30) and the deposition transcript of Petitioner's witness, Kevin Jakel (Exhibit 2009). Good cause exists because Petitioner has stated that these documents contain Petitioner's confidential information.

Exhibit 2009, the deposition transcript of Kevin Jakel, was designated as confidential by Petitioners. The deposition transcript includes sensitive business information that Petitioner asserts has not been published or otherwise made public.

Paper 30, Patent Owner's RPI Observations regarding Mr. Jakel's testimony, contains the same sensitive business information that Petitioner asserts has not been published or otherwise made public.

For the above reasons, Patent Owner requests that Exhibit 2009 and Patent Owner's RPI Observations be placed under seal.

Dated: February 22, 2019

Respectfully submitted,

/Michael D. Ellis/
