SCHEDULING ORDER
37 C.F.R. § 42.5

A. DUE DATES

This Order sets due dates for the parties to take action after institution of the proceedings. The parties may stipulate to different dates for DUE DATES 1 through 5 (earlier or later, but no later than DUE DATE 6). A notice of the stipulation, specifically identifying the changed due dates, must be promptly filed. The parties may not stipulate to an extension of DUE DATES 6 and 7.

Regardless of whether the parties stipulate to a change of DUE DATE 4, requests for oral argument must be filed no later than the date set forth in this Order for DUE DATE 4, for Board planning purposes.

In stipulating to different times, the parties should consider the effect of the stipulation on times to object to evidence (37 C.F.R. § 42.64(b)(1)), to supplement evidence (37 C.F.R. § 42.64(b)(2)), to conduct cross-examination (37 C.F.R. § 42.53(d)(2)), and to draft papers depending on the evidence and cross-examination testimony (*see* section B, below).

The parties are reminded that the Testimony Guidelines appended to the Office Patent Trial Practice Guide, 77 Fed. Reg. 48,756, 48,772 (Aug. 14, 2012) (Appendix D), apply to these proceedings. The Board may impose an appropriate sanction for failure to adhere to the Testimony Guidelines. 37 C.F.R. § 42.12. For example, reasonable expenses and attorneys' fees incurred by any party may be levied on a person who impedes, delays, or frustrates the fair examination of a witness.

1. INITIAL CONFERENCE CALL

The parties are directed to contact the Board within one month of the entry date for this Scheduling Order if there is a need to discuss proposed

changes to this Order or proposed motions. *See* Office Patent Trial Practice Guide, 77 Fed. Reg. 48,756, 48,765–66 (Aug. 14, 2012) (guidance in preparing for the initial conference call).

2. DUE DATE 1

The patent owner may file—

- a. A response to the petition (37 C.F.R. § 42.120), and
- b. A motion to amend the patent (37 C.F.R. § 42.121).

The patent owner must file any such response or motion to amend on or before DUE DATE 1. If the patent owner elects not to file anything, the patent owner must arrange a conference call with the parties and the Board. The patent owner is cautioned that any arguments for patentability not raised in the response will be deemed waived.

3. DUE DATE 2

The petitioner must file any reply to the patent owner's response and opposition to the motion to amend on or before DUE DATE 2.

4. DUE DATE 3

The patent owner must file any reply to the petitioner's opposition to patent owner's motion to amend on or before DUE DATE 3.

5. DUE DATE 4

a. Each party must file any motion for an observation on the cross-examination testimony of a reply witness (*see* section C, below) on or before DUE DATE 4.

b. Each party must file any motion to exclude evidence (37 C.F.R. § 42.64(c)) and any request for oral argument (37 C.F.R. § 42.70(a)) on or before DUE DATE 4.

6. DUE DATE 5

a. Each party must file any response to an observation on cross-examination testimony on or before DUE DATE 5.

b. Each party must file any opposition to a motion to exclude evidence on or before DUE DATE 5.

7. DUE DATE 6

Each party must file any reply for a motion to exclude evidence on or before DUE DATE 6.

8. DUE DATE 7

The oral argument (if requested by either party) is set for DUE DATE 7.

B. CROSS-EXAMINATION

Except as the parties might otherwise agree, for each due date—

1. Cross-examination begins after any supplemental evidence is due. 37 C.F.R. § 42.53(d)(2).

2. Cross-examination ends no later than a week before the filing date for any paper in which the cross-examination testimony is expected to be used. *Id.*

C. OBSERVATION ON CROSS-EXAMINATION

An observation on cross-examination provides the parties with a mechanism to draw the Board's attention to relevant cross-examination testimony of a reply witness because no further substantive paper is permitted after the reply. *See* Office Patent Trial Practice Guide, 77 Fed. Reg. 48,756, 48,768 (Aug. 14, 2012). The observation must be a concise statement of the relevance of precisely identified testimony to a precisely identified argument or portion of an exhibit. Each observation should not exceed a single, short paragraph. The opposing party may respond to the observation. Any response must be equally concise and specific.

D. MEET AND CONFER REQUIREMENT

The parties are encouraged to engage in meaningful discussion before seeking authorization under 37 C.F.R. § 42.20(b) to file a motion for relief with the Board. At a minimum, before requesting authorization, the parties shall confer with each other in a good-faith effort to resolve the issue for which relief is to be sought. Only if the parties cannot resolve the issue on their own may a party request a conference call with the Board in order to seek authorization to move for relief.¹ In any request for a conference call with the Board, the requesting party shall: (1) certify that it has in good-faith conferred (or attempted to confer) with the other parties in an effort to resolve the issue; (2) identify with specificity the issue for which agreement has not been reached; (3) state the precise relief to be sought; and

¹ Patent Owner may file a motion to amend without prior authorization, but only after conferring with the Board. 37 C.F.R. § 42.121(a).
