Subject: Request to File a Sur Reply in IPR 2018-00044, Unified Patents, Inc. v. Vilox Technologies, LLC

Follow Up Flag: Follow up
Flag Status: Flagged

Dear Sir:

Patent Owner requests PTAB approval to file a Sur Reply, as provided in the PTAB's Revised Guidelines, in response to Petitioner's Reply to Patent Owner's Response. Patent Owner believes the Sur Reply is warranted to address what Patent Owner believes are misstatements of legal arguments and factual matters, and selective citations to the record that the Board should consider in adjudicating the Petition. Petitioner does not object. The Sur Reply will be filed by due date 3, October 22.

Sincerely,

John Harrop
Attorney for Patent Owner
